

Mrs. Roberts' 1st-2nd Grade Classroom Supply List 2023-2024

Please note that this list is just the basics and there may be more supplies requested as the need arises. There are some supplies that are not listed here because I have plenty in stock (hand sanitizer, colored pencils, etc.). Please understand that if your child brings in supplies beyond what is listed, we may need to send them home due to lack of space in the classroom.

Thank you!
